### **Public Suggestions and Concerns**

The School Board is interested in receiving suggestions and concerns from members of the community. Any individual may make a suggestion or express a concern at any District or School office. Community members who e-mail the District or any District employee or board member are expected to abide by the standards in Board policy 6:235, *Access to Electronic Networks*, and should, to the extent possible, direct their communications to relevant individuals. All suggestions and/or concerns will be referred to the appropriate level staff member or District administrator who is most able to respond in a timely manner. Each concern or suggestion shall be considered on its merit.

An individual who is not satisfied may file a grievance under the Board policy 2:260, *Uniform Grievance Procedure*. The Board encourages, but does not require, individuals to follow the channels of authority prior to filing a grievance. Neither this policy nor the *Uniform Grievance Procedure* creates an independent right to a hearing before the Board.
