

D66 Update – March 31, 2020

Dear District 66 Community:

This afternoon Governor Pritzker announced that the “stay at home” order will continue through April 30th. We know Center Cass families are wondering what this will mean for students and staff.

Anticipating this action, the district admin team and our amazing staff had already been working to develop our next steps. The D66 team, in conjunction with other districts, has drafted a comprehensive district plan for remote learning going forward. We will share this plan with our families within the next few days.

In the meantime, please know that everyone is in our thoughts. We remain confident that we will get through this together, and with every step of our journey, we will continue to embrace, “What’s best for kids!”

Sincerely,

Ray Lechner, Ph.D.
Griff Powell, Ed.D.
